Dress for an elegant evening of dinner and dancing!

Visitors to the world of Bergman and Bogart will be entertained with live jazz and guitars. The meal will be prepared by Applewood Foods, caterers of the Danville Symphony's wildly successful "Belle Notte".

Among the lovely – though limited - auction prizes are a dinner prepared and presented by Chicago Chef Jared Van Camp, a Danville native and one of Chicago's Top 12 Most-Important-Now Chefs, according to Time Out Chicago; a complete "Renew Yourself" package with lavish body pampering opportunities as well as a full closet review; and an opportunity to view Danville from the skies above while riding in an authentic WWII plane.

Dancing to Dennis Riggins' band "Off Center" from Bloomington, Indiana will complete the adventure that will be CASAblanca.

All proceeds go to CASA of Vermilion County, now in its third year. CASA's sole mission is to help courts determine the best permanent placement for abused and neglected children, as quickly as is feasible, advocating for the child's physical and emotional well-being and acting as the voice of the child during the process. This amazing volunteer-dependent program has had wonderful success in the 33 years since its creation by a Seattle judge.

The meal will have ample celiac and vegetarian-friendly options.

Reservation deadline – March 15

CASA recruits, trains and manages volunteers who advocate for children in our community who have been victims of neglect and abuse. For more information, visit www.casavermillion.org.
