When a child is hurt; we all hurt.

When a child's future is at stake;
our future is at stake.

CASA of Vermilion County is actively building our team of advocates – powerful voices for children who have become wards of the court because their parents can't, or won't take care of them.

The need is great here in Vermilion County.

CASA makes a difference.

You can make a difference in the life of a child, and the future of our community. Stand up for a child –

Join CASA!

The mission of CASA of Vermilion County is to advocate for abused and neglected children within the Juvenile Court System by training and managing volunteers to represent those children's best interest to the Court.
